British Historic Racing Club(BHRC) SUPPLEMENTARY REGULATIONS – 2026

1. JURISDICTION: All meetings will be held under the National Sporting Code and Standing Regulations of the ACU, these supplementary regulations, and any further Instructions that may be subsequently issued relating to particular meeting.

2. OFFICIALS: Will be from the following, or other qualified officials as may become available & stated in the final program

Clerk of Course & Deputy: Dr. Fraser Greenroyd, Richard East, Phil Southern, Wendy Glenn.

Assistant Clerk of the Course: Dr. Fraser Greenroyd, Wendy Glenn, Lucien Burkhardt.

Chief Steward: Richard East, Phil Southern, Wendy Glenn.

Incident Officer: Dr. Fraser Greenroyd, Richard East, Wendy Glenn, Lucien Burkhardt.

Chief Marshal: Ann Mallett.

Club Safeguarding Officer: Georgina Coldwell, Nic Powell, Wendy Glenn.

Radio Log: Dr. Fraser Greenroyd, Wendy Glenn, Lucien Burkhardt.

Time Keepers: HS Sports.

Sound Operator: Abi Phillips, Georgina Coldwell, Nic Powell, Ralph Coldwell.

Chief Technical Officers: Mick Gather, Ralph Coldwell. Gordon Thorpe.

3. RIDER ELIGIBILITY: Open to riders who hold current competition license issued by the ACU, SACU or other FIM Europe affiliated Federation. Riders with a license issued by a European FMN, other than the ACU or SACU must have start permission that confirms the rider has medical and repatriation Insurance from their License issuing Federation. (This includes MCUI Licence Holders). These must be shown when signing on. If a participant is under 18 years of age, a parental consent form must be completed.

4. ENTRIES AND ENTRY FEES: All entries must be made on the official entry system, and must be received by the Entries Secretary by the stated closing date with payment of the appropriate entry fee as stated in the entry system notes.

5. PAYMENT: Via online entry system or by special arrangement with the entries secretary.

6. DISHONoured PAYMENT: A surcharge will be levied on any unpaid entries to cover bank and administration charges. No rider will be allowed to compete until all outstanding amounts have been paid and such payment verified. Failure to comply will result in a referral to the ACU for disciplinary action. Unpaid surcharge amounts will be as noted in the entry system notes.

7. LATE ENTRIES: If accepted, a late surcharge, as stated on the entry system notes will be payable. No on the day entries are accepted.

8. RACE vs PARADE ENTRIES: If you are entering both Race and Parade Machines, the Parade machine must be entered as a separate Parade Entry. Additional Parade requirements are given at the foot of these regs.

Race-competitors may enter PR6 Parades, but only on a substantively different machine(s) to any which they are racing. Fellow competitors at the same meeting may not normally "swap machines" for an extra Parade entry. "Non-competitor" A parador at the meeting is allowed to Parade a machine that is otherwise being raced by another person. PR5 entries are on the day.

9. CHANGE OF RIDER/PASSENGER/MACHINE: No change of rider, passenger, or machine will be considered except in the case of a written application to the Clerk of the Course, before the start of practice. Only the holder of a current Entrant's License can request a change after this time. A change of rider or machine may be permitted, but not both.

10. INSURANCE: The organiser undertakes to insure each driver and passenger, indemnifying him/her against any third party claims made arising out of the races or official practice, excluding claims by other drivers or passengers, entrants, sponsors or mechanics.

11. WITHDRAWAL OF ENTRY AND REFUNDS: Withdrawal of entry prior to the meeting will be credited to a future meeting less any administrative charges. Cancellation prior to the closing date, after the closing date, before race day, will incur an administrative charge as stated in the entry-form Notes. All passes etc must be returned to the Secretary. Cancellation on the day, NO REFUND. (In cases of exceptional circumstances, a request for a refund may be made.) Cancellation must be made in writing to the Entries Secretary. Credits will be issued by the Treasurer. Once a rider has been on circuit NO REFUND.

12. ACCEPTANCE OF ENTRY AND ALLOCATION OF GRID POSITION: Entries will be accepted in date order up to and including the closing date. A full grid will result in reserve entries to be decided, first by date of entry, then by payment date, an entry is not confirmed until payment has been received. Grid positions for the first race will be by championship order or an allocated grid position, for this race only by the Entries Secretary. For all other races during the weekend grid positions will be allocated as per your fastest lap in the previous race.

13. REFUSAL OF ENTRY AND ALTERATION OF EVENTS: BHRC reserves the right to refuse any entry and to abandon, combine, cancel, or postpone all or part of the meeting. We may alter the program of events and awards.

14. TECHNICAL CONTROL: At the discretion of the Chief Technical Official, Technical Control may be available on the afternoon or evening before the meeting. Race day times will be published in the Programme. Riders are required to produce their machine to the Technical Officials. All riders and passengers must wear their protective clothing, helmet, boots, gloves, identification disc, and novice jacket (if applicable) when being checked by the Technical Official. The Chief Technical Official may refuse to examine any machine that is in a dirty condition. Technical Control stickers from previous BHRC events must be removed before the machine and helmet are presented for examination. (See Standing Regulations)

15. HELMET AND CLOTHING: You will need an ACU approved helmet (with the gold sticker on it), one-piece leathers, leather gloves, and leather boots along with an identity tag with your name and date of birth. **A Back Protector is strongly recommended.**

NOISE LIMITS: The maximum permitted noise levels will be 105 dBa for all machines. A noise meter will be in operation at the meeting. Any machine found to be outside the limit will be excluded from the meeting. No refund will be made.

OIL CATCH TRAY: All 4 Stroke solo & 3 wheeler motorcycles must have an oil catch tray under the engine as per the ACU regulations. An absorbent pad within the tray is recommended for solo and mandatory for post 72 sidecars.

METHANOL: May be used in any class of Pre war machine. An orange day glow disc with a minimum 3 inches diameter MUST be affixed on or immediately adjacent to the racing number plate on both sides of any machine using Methanol.

18. SIGNING ON: The Signing On Office will be open at approximately 7.30am on the day of racing. All riders and passengers must sign on and produce their Competition License, and Technical Control card. Any rider or passenger who is unable to produce their Competition License may only take part in the meeting at the discretion of the Clerk of the Course and will be liable to a fine. Any rider or passenger who is unable to prove Club Membership must make an application to join the Club on the day and pay the appropriate fee. This fee will be refunded at a later date if proof of membership is established.

19. PRACTICE: All riders and passengers must participate in the practice sessions. Practice should be carried out on the largest capacity machine entered in the meeting if time does not permit practicing on all machines entered. Practice will be a minimum of 10 minutes. Official practice will commence at approximately 9.00 am, the exact details of which will be included in the riders' briefing and final instructions.

20. SIGHTING LAP: Each race will be preceded by a mandatory sighting lap, which will commence when riders have come under Starter's Orders. Riders will take up their allocated grid position and an Official will signal the start of the lap, at the end of which, all riders must return to their correct grid position. Any rider in the wrong grid position may incur a time penalty.

21. START OF RACING: Racing will commence at a time stated in the final instructions. All races will be clutch start and will be at the fall of the Union Flag or Lights. Races will be between 3 and 12 laps long.

22. FINISH OF A RACE: The chequered flag will be shown to the winner as they cross the finish line, and each rider crossing the line will be flagged off. To be classed as a finisher and to be included in the results, a rider must have completed 75% of the race distance, have crossed the finish line on the track (not the pit lane) within 3 minutes of the winner, and be in contact with the bike.

23. LUNCH: Up to 1 hour to be taken between 12.00 & 2.00 pm as determined by the Clerk of Course on the day.

24. FALLERS: After an incident, all machines will go to technical control. machines will only be released from tech control after the presentation of a signed medical release slip which will then be reported from technical control to assembly and race control as the rider is fit to ride. The medical release slip will be available from technical control and the chief medical officer. No rider or passenger involved in an incident will be permitted to compete again unless they have produced their medical release slip to the technical control or race office.

25. ALCOHOL/DRUG USE: The consumption of alcohol or intake of non-prescribed medication during the meeting by riders, passengers, or officials is forbidden. Random alcohol and or drug testing may be undertaken by the event organisers without prior notification.

26. TRANSPONDERS: Any rider who does not have a transponder may be excluded from the Championship results. Transponders can be rented on the day of signing on. The rider will be required to surrender their Driving Licence or any other proof of identity on receipt of the transponder. Transponder brackets can be purchased for a small fee. Transponders can be used on multiple machines. Rider's own transponder number(s) applicable to each machine must be clearly stated in the entry system. It is the competitor's responsibility to ensure correct transfer mounting onto each machine in case they enter multiple events. Mounting must be in accordance with ACU specifications. Transponders carried in breast pockets etc are not allowed and may not respond, and the rider risks losing results or points.

27. AWARDS/CHAMPIONSHIP EVENTS: Awards for all BHRC championship events are on an annual basis. Points will be awarded at each meeting towards the annual championships according to the system in operation at the time. At certain sponsored meetings a presentation of trophies may be made as published in the race programme. Non BHRC members are not eligible for BHRC event championship points. An entrant must have competed in at least 3 rounds to be included in a championship

28. ADMISSION TO CIRCUIT ANIMALS: Animals are not permitted unless specifically allowed by the particular circuit. To safeguard both competitors and members of the public the circuit has the right to remove anyone breaching this ruling.

29. TICKET ALLOCATION: Wherever possible each accepted solo rider will receive three admission tickets, six for three wheelers. Each entrant who is not a rider will receive one admission ticket. Additional admission tickets may be available on request. Ticket allocation will be E-ticket.

30. PADDOCK BIKES / BICYCLES: The riding of paddock bikes, motorised scooters, pedal cycles or similar unregistered bikes in the paddock or grounds of the circuit is strictly forbidden unless a dispensation granted by the club for disability is issued. A rider may be disqualified from the meeting if a member of their entourage is found to be in breach of this rule.

31. SPECIAL NOTICE: The promoters reserve the right to require any rider taking part in the meeting to dismantle any part of their machine for verification. Random fuel sampling will also be undertaken.

32. DUPLICATION OF ENTRIES: It is an offense to enter two race meetings on the same day. Offenders will be reported to the ACU.

33. RUNNING OF RACE ENGINES: Race engines must not be run before the scheduled start-up time, in the lunch break, or in the evening prior to a meeting, other than as may be stated in the final instructions for each meeting.

34. HELMETS: You must wear your helmet when riding your machine in the paddock or on your return to the paddock following a retirement or as a result of a fall. Your leathers must also be fastened. Any rider failing to comply with these instructions will be liable to a fine by the Clerk of the Course.

35. CHILDREN: Riders and officials must ensure correct supervision of their children at all times to ensure their safety. Any person associated with any child found to be responsible for any damage caused to property or person (including verbal abuse) will be accountable for any costs and may be excluded from the meeting.

36. PHOTOGRAPHY: It is a condition of entry that your consent is given for officially sanctioned photography of the event to take place and that publication of photographs is agreed to.

37. MORGAN DISPENSATION: As per their club rules, Morgans can compete with ballast instead of a passenger in all eligible events. There is also dispensation for Super 3 2000cc, separate class or not for points.

38. TYRES: Slicks, hand cut tires, wets, tire warmers are NOT permitted at BHRC events unless a particular BHRC hosted machine event class (eg BSSO Scooters) is specifically approved to do so, in which case will be in line with ACU standing regulations.

39. BEHAVIOUR: Any anti social behaviour in the paddock before, during, or after a race meeting will not be tolerated and could lead to refusal of race entry, fine, or disciplinary action by the Clerk of the Course, BHRC or the Steward(s) of meeting. Abusing an official will not be tolerated and may result in removal from the meeting by the Clerk of the Course.

ADDITIONAL INFORMATION & REQUIREMENTS FOR PR6 PARADE EVENTS
